I hope you and your loved ones are doing well during these unprecedented times once again with the Covid pandemic.

Just giving everyone an update regarding the Wreaths Across America program this year (2021) and to let you know we will try and do everything possible to fulfill our mission of honoring all our veterans who are no longer with us during this holiday season.

If permitted, we will again be holding the Wreaths Across America ceremony at Veterans Memorial Park on December 18th and then placing remembrance wreaths on our veterans' grave sites.

Knowing the strain on finances for everyone during these times, we will still graciously accept donations. If unable to donate, it will be totally understood.

One way or another, please try and attend the ceremony on December 18th at 12:00 noon. If you can't make it, know that in 2022 we'll be back stronger to REMEMBER - HONOR - TEACH all generations the price of the freedoms we enjoy and the men and women who have and still make them possible.

The times we are experiencing today should make us all realize just how precious our freedoms are.

PLEASE STAY SAFE and THANK YOU FOR YOUR SUPPORT
